

ALCOHOL BEVERAGE RESTRICTION POLICY

Alcohol may **not** be supplied or served by any Funplex employee.

If alcohol is brought the following requirements must be met:

- A food package, casual or catered, must be included in the "play" package.
- All guests consuming alcoholic beverages must be of legal drinking age.
- All alcoholic beverages must stay in the private area that will be provided.
- An agreement of the below must be signed and returned to The Funplex prior to the event.

CORPORATE OUTING:

A Certificate of Liability must be provided evidencing both General Liability and Liquor Law Liability, each at a minimum of 1 Million dollar limit and naming both the company that is hosting the event as the main insurance holder and The Falls Group, LLC, DBA The Funplex as the additional insured for the one-day event, under both the General and Liquor Liability policies. This certificate must be supplied to The Funplex no later than 3 days prior to the event date.

**The Funplex still reserves the right to refuse any guest use of any attraction if we see evidence of unsafe behavior.*

OUTSIDE LICENSED CATERERS:

A Certificate of Liability must be provided evidencing both General Liability and Liquor Law Liability, each at a minimum of 1 Million dollar limit, naming both the caterer as the main insurance holder and The Falls Group, LLC, DBA The Funplex as the additional insured for the one-day event, under both the General and Liquor Liability policies. This certificate must be supplied to The Funplex no later than 3 days prior to the event date.

**The Funplex still reserves the right to refuse any guest use of any attraction if we see evidence of unsafe behavior.*

PRIVATE EVENT:

A Certificate of Liability must be provided evidencing both General Liability and Liquor Law Liability, each at a minimum of 1 Million dollar limit, naming the Host (person booking the event) as the main insurance holder and The Falls Group, LLC, DBA The Funplex as the additional insured for the one-day event, under both the General and Liquor Liability policies. This may be obtained through your homeowner's insurance policy; however, some insurance companies do not allow this amendment to the policy for a 1-day event nor do they allow the inclusion of an additional insured. You would need to contact your agent for further information.

**The Funplex still reserves the right to refuse any guest use of any attraction if we see evidence of unsafe behavior.*

A sample Certificate of Insurance is provided attached for reference.

I agree to and understand the above restrictions concerning having alcohol at my event.
